

David Bryan Paradise

Education

- Ph.D. Business Administration (MIS), Texas Tech, 1986. Minors in Statistics and Management.
M.S. Industrial Management, Georgia Tech, 1979.
B.S. Information & Computer Science (with honor), Georgia Tech, 1978.

Academic Appointments

Auburn University Raymond J. Harbert College of Business.

2015 – present: Harbert Eminent Scholar in Business Analytics & Chair, Department of Systems & Technology.

Florida State University College of Business.

2011 – 2015: Senior Associate Dean for Academic Programs.
2010 – 2011: Associate Dean for Undergraduate Programs.
2008 – 2015: Sprint Professor of Management Information Systems.
2002 – 2009: Chairman, Department of Management Information Systems.
2002 – 2015: Professor (tenured).
2000 – 2002: Associate Professor.

Classes taught: Graduate courses in Management Information Systems.

Texas A&M University Lowry Mays College and Graduate School of Business Administration.

1996 – 2000: Director, Center for the Management of Information Systems
1992 – 2000: Associate Professor (tenured).
1986 – 1992: Assistant Professor.

Classes taught: Undergraduate and graduate courses in Management Information Systems.

Texas Tech University College of Business Administration.

1982 - 1986: Part-time Instructor.

Classes taught: Undergraduate classes in Management Information Systems.

Current Responsibilities

As Chair of the Department of Systems & Technology, I oversee the department's programs in Analytics, Aviation, Management Information Systems, and Supply Chain Management.

Personal

Married with two children. I enjoy photography, travel, and a wide range of building and repair activities. My wife and I also enjoy driving a 1971 MGB that we restored together.

Address

403-D Lowder Building
Harbert College of Business, Auburn University
Auburn, AL 36849

(334) 844-8230

Department, College, and University Service

Executive Committee, Florida State University College of Business

Women in IT Symposium at Texas A&M University and Florida State University

Search Committee Membership

- New MIS Faculty & Department Chair
- Administrative & Professional Staff
- Dean of the FSU Libraries
- Director of the FSU Dunlap Student Success Center
- FSU QEP Director
- Texas A&M Associate Provost for Information Technology

Florida State University QEP Advisory Board Chair (2014 – 2015)

Florida State University Information Technology Governance Council (2009 – 2015)

Florida State University Program in Interdisciplinary Computing (2009 – 2013)

Florida State University Faculty Senate Library Subcommittee (2004 – 2007, chair: 2007)

Member of Various Committees to Improve Teaching, Computer Labs, and Instructional Technology

Academic Advisor and Policy Committee Member at all program levels

International & Professional Service

Research Quality External Reviewer, BIS Program, University College Cork, Ireland, 2015.

Junior Faculty Consortium Co-Chair, International Conference on Information Systems, 2012.

External Examiner, PhD Thesis of Gregory Hill, University of Melbourne, Australia, 2009.

Rapporteur, Habilitation à Diriger les Recherches, for Professor Frederic Adam, 2008 (Paris, France).

Association of Information Systems, SIG DSS, various officer positions including Chair, 2008-2009.

Chair, pre-ICIS SIG DSS Workshop, 2004.

Doctoral Consortium Faculty, IFIP International Conference on DSS, 2002, 2004, 2008.

Doctoral Consortium Faculty, AMCIS Conference, 2002 and 2003.

Program Committee, IFIP International Conference on DSS, Cork, Ireland, 2002; Lisbon, Portugal, 2010.

Program Committee, International Conference on Information Systems, 1999.

Technical Research in Progress Track Chair, Association for Information Systems Conference, 1997.

Innovative Education Theme Chair, Decision Sciences Institute, 1997.

Intelligent Organizations Session Co-Chair, Hawaii International Conference on Systems Sciences, 1989 - 1992.

Editor-in-Chief, *International Journal of Information Technology and the Systems Approach*, 2007-2009.

Associate Editor, *Information Resources Management Journal*, 2006 – 2010.

Ad hoc reviewer for:

Information Systems Research

Communications of the ACM

MIS Quarterly

International Journal of Production Research

IEEE Transactions on Knowledge & Data Engineering

European Journal of Operations Research

ICIS / AIS / HICSS / AoM OCIS

Decision Sciences Institute

National Science Foundation

Nebraska Research Initiative

People's Republic of China Research Council

Industry Experience

Technical Advisor, Information Systems Advisory Committee, Citizens Property Insurance Corporation, Tallahassee, FL, 2008 – 2010.

Member, Board of Advisors, Municipal Code Corporation, Tallahassee, FL, 2004 – 2008.

Member, Board of Directors, Texas Association of State Systems for Computing & Communications, Austin, TX, 1996 – 2000.

Consulting

Florida Department of Insurance, Division of Rehabilitation & Liquidation, Tallahassee, FL. Provided training on project management concepts (2002).

Texas A&M Veterinary Medicine Teaching Hospital, College Station, TX. Assessed status of a major information systems development project and provided report on ways to improve productivity of information systems staff (1999).

Scott & White Hospital, College Station, TX. Designed and implemented database to track diabetic patients (1997) and release of information requests (1998).

Texas A&M Career Services Center, College Station, TX. Assisted in needs assessment, technical specifications development, and selection of new information system services provider for the Center (1998-99).

Scott & White Hospital, College Station, TX. Enhanced database system used in Occupational Medicine to include Client Management and extended installation to several regional clinics. (1997)

Scott & White Hospital, College Station, TX. Designed and implemented scheduling database to support Ambulatory Surgery Center. (1996 - 1999)

Scott & White Hospital, College Station, TX. Provided assistance on proposal to implement database for patient tracking project for a large occupational medicine research study. (1995)

Scott & White Hospital, College Station, TX. Provided assistance on design and implementation of database used by Occupational Medicine Department. (1994)

Alley Theater, Houston, TX. Provided assistance on design and implementation of networked microcomputer operations. (1992)

Texas Transportation Institute, Houston, TX. Provided advice on initial design and structure of database to be used by Houston office of Texas Highway Department. (1990)

Energy Management Associates, Inc. Atlanta, GA. Performed systems analysis and design work and prepared expert witness testimony in the area of computer-based systems design and development. (1982-1984).

Programmer Analyst and Senior Consultant, 1979 - 1982.

Energy Management Associates, Inc. Atlanta, GA. Designed and developed software to support consulting engagements in the electric utility industry. Part of a team that designed and implemented one of the earliest data- and model-based decision support systems in this industry.
